Hi Jocelyn,

Thankyou! So good of you to give up your time on a Saturday, and invaluable for the participants. I think they got a lot out of the elevator pitch too.
This was in my inbox last night - so will share it.

Hey Wendy,

Thanks so much again for today - I just got home and I'm on a massive buzz - it was heaps of fun!

I'll look forward to the next ones!

Cheers,

Jack

.and if you would like to catch one of our screenings, this is coming up next month - just email Nicky - nicky@docedge.nz - to reserve complimentary seats...it's at the Art Gallery....

The Day That Changed My Life is, in essence, a story about our irrepressible will to live, and also about generosity and bravery. It is a bold, powerful, life ...

Best, Wendy
